

YURINO OSHIMA

Japanese | 1992 | Living in Vienna

UX/UI DESIGNER

I am a Japanese user-centred (UX&UI) designer with both business and artistic perspectives, and more than 5 years of experience in fashion design, stage/commercial acting, and customer service & support. In my work, I always value empathy. I have a strong ability of patience, I am focused on my goals and maintain harmony within a team.
